CROWNE PLAZA Gets 360% ROI

Recycling Electricity with Peak Energy Savers

Mr. Tabani says:

"We look for creative ways to lower operating costs without sacrificing the high quality of amenities and comfort for our guests.

Installing Peak Energy Savers was a great business decision with proven results. We are in the process of installing Peak Energy Savers throughout our properties. An efficiently run hotel makes great business sense. I highly recommend Peak Energy Savers."

- Zaffar Tabani, President, CEO,
Tabani Group, Inc.

Goal: Lower NOC

Increase Energy Efficiency
& Lower Net Operating Cost

-Solution-

Installed 3-Phase
Peak Energy Saver
