John says...

"I was somewhat skeptical at first when I heard about Peak Energy Savers. But the facts are the facts. I am very happy with the savings I have seen on my electric bill and like sharing my results with other business owners."

John Hudson — Longhorn General Store, Owner

A trip to the Fort Worth Stockyards would be not complete without visiting the Longhorn General Store where you can get ice cold Blue Bell Ice Cream & Dr. Pepper, now that is Texas! After you get your Texas treats browse through Texas t-shirts, home décor, gourmet foods, mounted longhorns & more.

3000 sf with merchandise coolers, lighting and A/C + 500 sf storage

More Benefits

90 day money back **guarantee**

With a **quick payback**, business owners enjoy a great ROI and reduce net operating costs.

Peak Energy Savers can also help **reduce voltage sags** that can damage sensitive electronics.

Motors run 10% cooler which can **increase** the lifetime of the motor.
